

Dear Parishioners,

Due to the situation regarding the COVID-19 Coronavirus we have decided to postpone our Annual Parish Meeting scheduled for 23rd April 2020. In addition we have decided to cancel our upcoming meeting scheduled for the 24th March 2020. This meeting was due to discuss some planning applications that were of interest to Parishioners (Coley Farm and Sun in the Wood) and we have requested extensions for comments from West Berkshire Council.

The Council is investigating the possibility of holding online meetings in the future that will still allow Parishioners to listen in and take part.

If you have any concerns about COVID-19 Coronavirus, the best advice is on the NHS website:
